

Hellenic Club Car Park

Dear member,

The Hellenic Club has implemented our new parking management system with the objective of ensuring that our members have access to convenient car parking during the daytime. The car park will become operational on Monday 3 March 2008.

Benefits for members include:

- Cost effective Parking
- Availability of Parking Spaces
- Hassle free entry and exit to the Hellenic Club car park

A fee structure will apply between the hours of 6am – 6.30pm Monday to Friday as follows:

Duration	Charge
0-2 hours	no charge
2-4 hours	\$2 per hour
4-8 hours	\$4 per hour
8-12 hours	\$4 per hour

The fee structure is operational only during the daytime and is designed to ensure that members can access convenient parking between the hours of 10am (when the club opens) and 4pm.

What this means to you:

- If you are in the car park for less than 2 hours, parking is free
- If you enter the car park after 4pm, parking is free
- If you exit the car park after 6pm, parking is free
- If you enter the car park between the hours of 10am-4pm., the short-term rates apply
- No car parking fees will apply at night, weekends or public holidays.

Please remember that all tickets must be validated at the parking kiosk located in the foyer before you leave (even if there is no charge). The reason for this is to deter the general public from using our parking facilities.

We look forward to this exciting development and hope to see you again soon to experience a good time every time!

Jay Birkett
Operations Manager

Please ask any of our helpful staff if you have any further questions about the Hellenic Club car park.
