

HELLENIC CLUB
Where Canberra Meets

WELCOMES CANBERRA'S TOURISTS

At the Hellenic Club in the City, we extend our warm hospitality to Canberra's tourist groups.

Clubs are an integral part of life in Canberra. We dine at our Clubs, socialise at our Clubs and celebrate at our Clubs. The occasion might be a wedding, a birthday, a sporting event or just to share a meal. Whatever the occasion, Canberrans flock to their favourite clubs in droves, with 250,000 of our 390,000 residents having one or more memberships.

Here at the Hellenic Club, a Canberra institution for 40 years, we are renowned for our fabulous Mediterranean food, and our welcoming hospitality. Our Bistro serves in record time, for a quick lunch or a more substantial dinner. We are able to offer you a 5 choice a la carte menu, so you can have a genuine dining experience for your group.
